THE DOCTOR WILL SEE YOU NOW....

Steve & Liz, with Ashford Green Party PPC Mandy Rossi at a recent NHS Listening Event.

Since April 2018, **Willesborough Health Centre** has followed the lead of many other surgeries within the area and changed its appointment system to a 'triage' system. We'd like to know how you are finding the changes. Are you able to get an appointment when you need one? Are you able to see the same Dr when you want to, for consistency? Are you having to travel out of Willesborough for some appointments?

We know, from talking to you, that many of you are concerned about changes within the **NHS**, and we're hugely concerned too. Ashford is a rapidly growing town and we believe that everyone should have easy access to a GP. So tell us your experience. Hearing your stories will help us to campaign on your behalf.

See our contact details overleaf and get in touch.

2019 TIME TO ACT

The Climate Needs YOU!

A New Year is always a great time to think about the future. So what better time to think about the future of the planet too! It may seem overwhelming, but as individuals there are simple, practical things we can do that can make a local difference that can have a global impact. Here are our top 10 suggestions!

- Say 'No' to single use plastic
- Switch to 100% renewable energy
- Draft-proof your home
- Walk, cycle or use public transport to work and school if you can
- Keep the garden green
- Eat more vegetarian/vegan meals
- Buy less "stuff" and use charity shops
- Say "No" to fracking
- Join an environmental group
- Vote **Green**, join the **Green Party!**

WILLESBOROUGH WOMBLING

Thank you to those of you who came along to our **Festive Litter Pick** in December. We cleared a dozen bags of rubbish and recycling from the **Church Road Recreation Ground** and enjoyed mince pies and drinks at the **William Harvey Pub** afterwards!

If you'd like to join us next time, check out the **Wombles of Willesborough Facebook Page** for full details and to watch our Christmas video message!

POTHOLE PATROL

We're On The Case

Please continue to keep us posted about any potholes that you spot around the area. We'll continue to report them

Steve & Liz collecting crisp packets for recycling

CRISP PACKET RECYCLING

From the end of **January**, collection boxes will be in place at the **Civic Centre** and at **Tesco Park Farm** - all you have to do is rinse the packets if there's any residue, drop them off and Ashford Borough Council will do the rest!

All of the money raised from the crisp packet recycling scheme will be going to **The Air Ambulance Kent/Surrey**.

Approximately 400 used packets = a £2 donation to the Air Ambulance, so remember to save your crisp packets each month and drop them into the council offices at the Civic Centre!

CAN WE HELP?

If you have a comment or query about our area, Steve and Liz would love to know. Get in touch via email or our social media pages.
